Analog Devices certify that the devices in this shipment have been 100% tested and inspected, and are in compliance with the requirement of the purchase order, applicable government and other specifications to the extent specified.

The required test and traceability documentation are on file and available for review by your representative or a government Quality Assurance Representative (QAR) at any reasonable time. Military devices, if included in this shipment, are in conformance with the applicable military specifications, MIL-PRF-38535, MIL-PRF-38534, MIL-STD-883 and modifications, if any, as approved by the Analog Devices Technical Review Board (TRB) per QML provisions.
